

The undersigned: Piergiorgio Lucidi

VAT code: issued only privately for each public place

As LOB Tech Tones band author(s), executor(s) and producer(s) of the song(s) represented in the files corresponding to digest SHA-1 listed in Table A (attached), I/we promise all landlords of public places present in Italy that will download said files from the Internet the following:

I/we will renounce to any exclusive rights or royalties to play said files for an indefinite period of time in public so long as such songs are played in said public place and nowhere else. The undersigned declares that I/we are not registered with the SIAE, IMAIE, SCF or other Italian or foreign intermediaries.

Should the undersigned register with an intermediary, the undersigned will communicate this to the promise at least 30 days prior to registering.

At such time, the promise will lose all rights stated in this promise, and will be obligated to stop playing such musical files and will proceed to their immediate deletion.

To fully comply with the Creative Commons license is welcome publicity our band LOB Tech Tones during the transmission of the songs in the public place, for example through the use of a monitor, as is usually done in CC Bars.

Thank you.
